RE: After Hours Maintenance Work Order Requests  
DATE: January 31, 2018**

---

**Please note that effective Monday, February 5, 2018, Greenburgh Housing Authority will be using a new answering service for after hour maintenance requests. The new after hours emergency maintenance work order requests phone number is:**

**1-(888)972-7788**

**Please note on the back, the items that are considered an emergency, to contact the above number for a maintenance request. Thank you.**

**Sincerely,**

**GHA Management**

**What is considered a maintenance emergency?**

*An emergency problem:*

- *An unhealthy or undrinkable water supply.*
- *A gas leak.*
- *Broken or blocked sanitary lines.*
- *A failed heating system.*
- *A hazardous electrical system.*
- *Unit damage which creates exposure to asbestos, lead paint or other toxic materials.*
- *Broken or faulty windows which create a safety hazard.*
- *Flooding inside unit.*
- ***If you see this type of problem, call for assistance anytime, day or night.***
